Databank accepts the following cards for all transactions: a valid Passport, Driver's License, Voter's ID, or SSNIT Biometric card.

The National Health Insurance ID card (NHIS), Student ID card, Ghana Card or new Voters ID card, however, can only be used to perform certain transactions. More importantly, they cannot **be used to effect withdrawals** at any bank as they are NOT accepted by any commercial bank in Ghana.

The table below shows what can/cannot be done with this group of IDs:

ID Туре	Account Opening	Changes/ Updates	Withdrawals	Comments
Student ID (GES Accredited)	Yes*	Yes	No	Not accepted by commercial bank
NHIS card	Yes	Yes	No	Not accepted by commercial bank
New Voters card	Yes	Yes	No, except for bank transfers and MoMo	Cannot be validated by commercial bank until approval received from BoG
Ghana card	Yes	Yes	No, except for bank transfers and MoMo	Cannot be validated by commercial bank until approval received from BoG

*In the case of the Student ID, the student must be 18 years or older and must not possess any other valid national ID.

By signing this form, I confirm that I have read the above terms and conditions and agree to the limitations that will be placed on withdrawal transactions if I do not have one of the widely accepted identification cards.
