Top up your mutual fund account with ease on **Fast Pace Transfer**

FAST PACE TRANSFER

STEP-BY-STEP GUIDE ON HOW TO DEPOSIT USING FAST PACE TRANSFER

FAST PACE WEBSITE

Step 1

Go to www.fastpacetransfer.com on your browser.

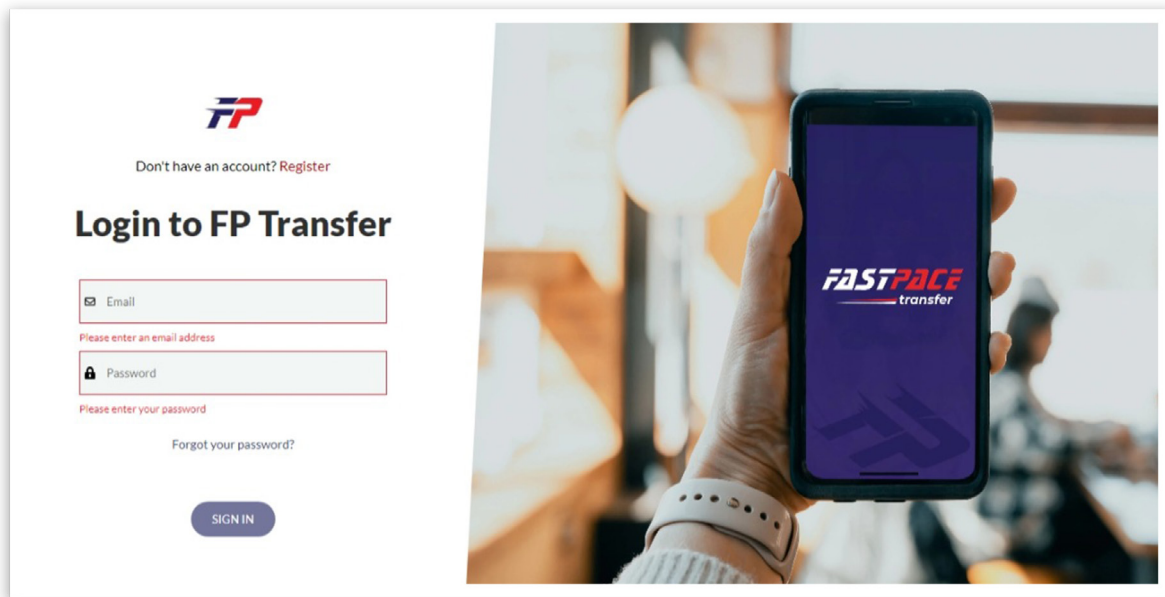

Step 2

Register for Fast Pace Transfer by providing your phone number, email address and preferred password. Please note that you need a working UK number to register for the service. You will need to provide a one-time PIN (OTP) to complete the registration process.

The image shows a screenshot of the 'Create Your FP Transfer Account' page on the Fast Pace Transfer website. The page features the FP logo at the top, a link for existing users to 'Login', and a registration form with the following fields: Phone Number (with a dropdown for '+44'), Email, Password, and Confirm password. Below the Password field, there are four password requirements: 8 characters minimum, Contains one lowercase character, Contains one uppercase character, and Contains one number and one special character. A link for 'Terms of Service and Privacy Policy apply' is located at the bottom of the form. To the right of the screenshot is a photograph of a hand holding a smartphone that displays the Fast Pace Transfer app logo on its screen.

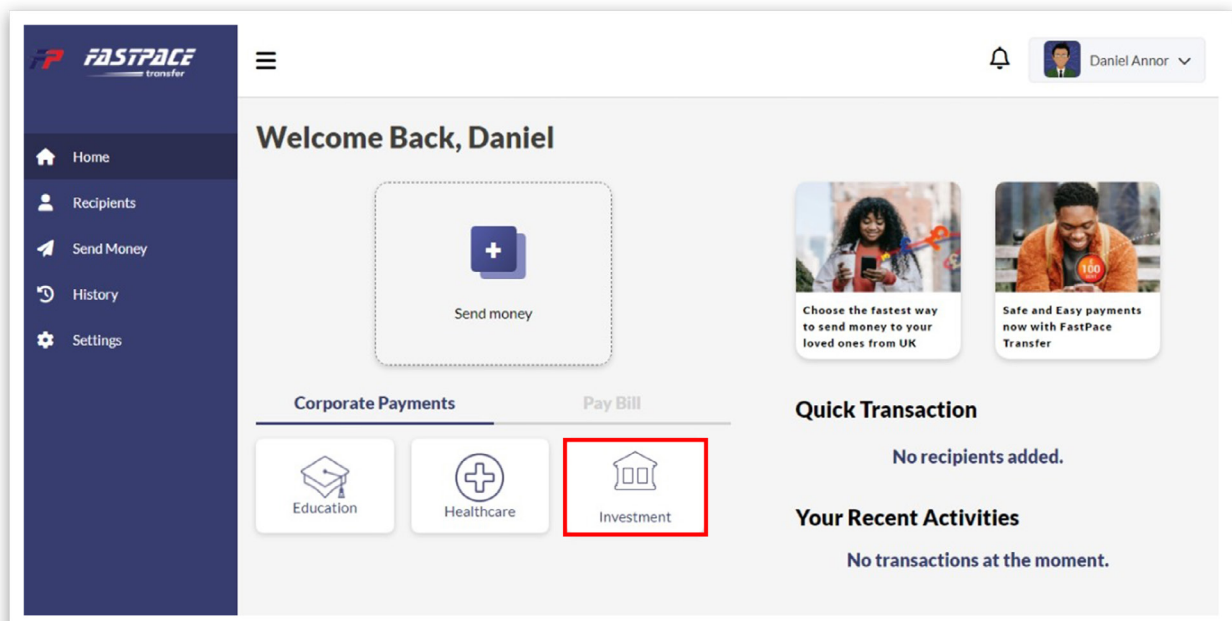

Step 3

Log in to your Fast Pace Transfer account using your email and password.

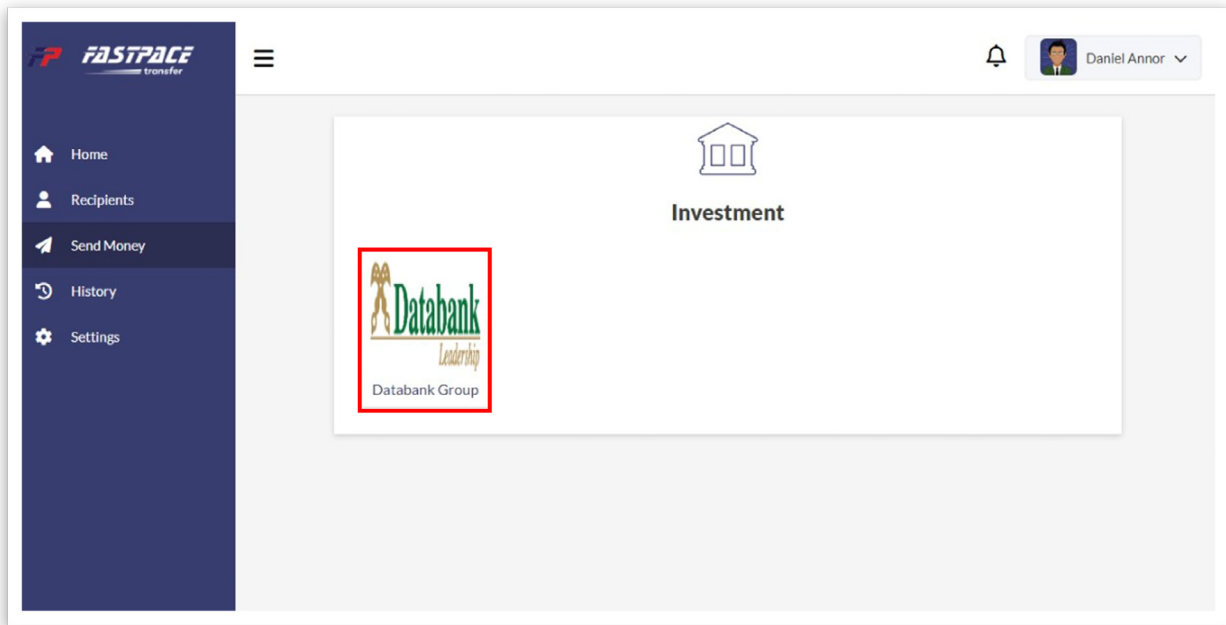

Step 4

After logging in, choose "Investment" under Corporate Payments.

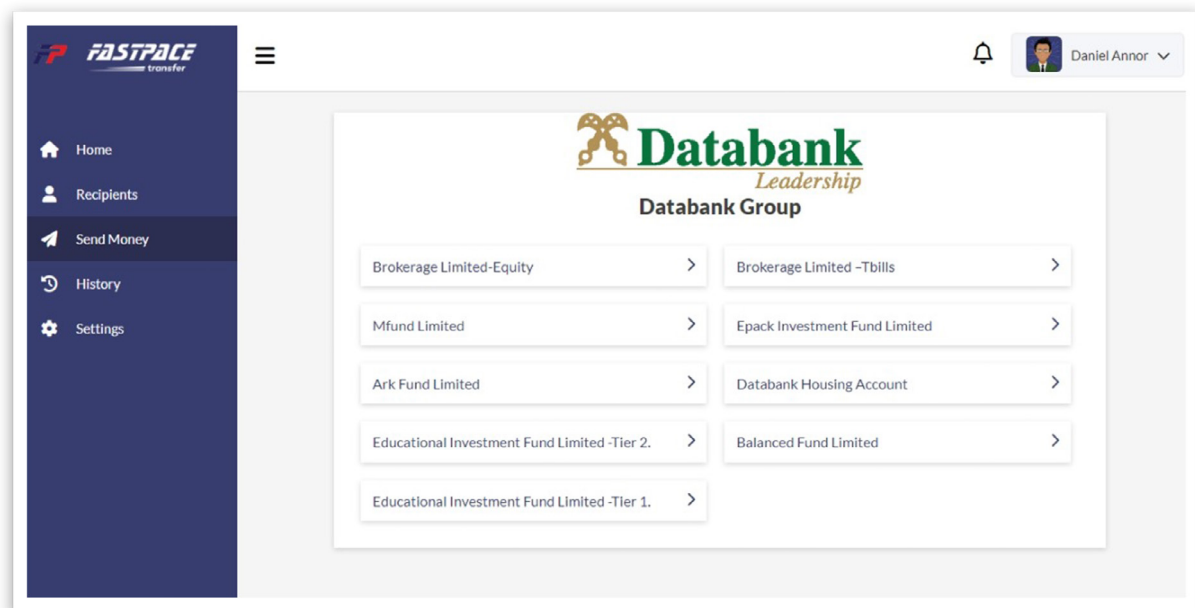

Step 5

Select "Databank Group".

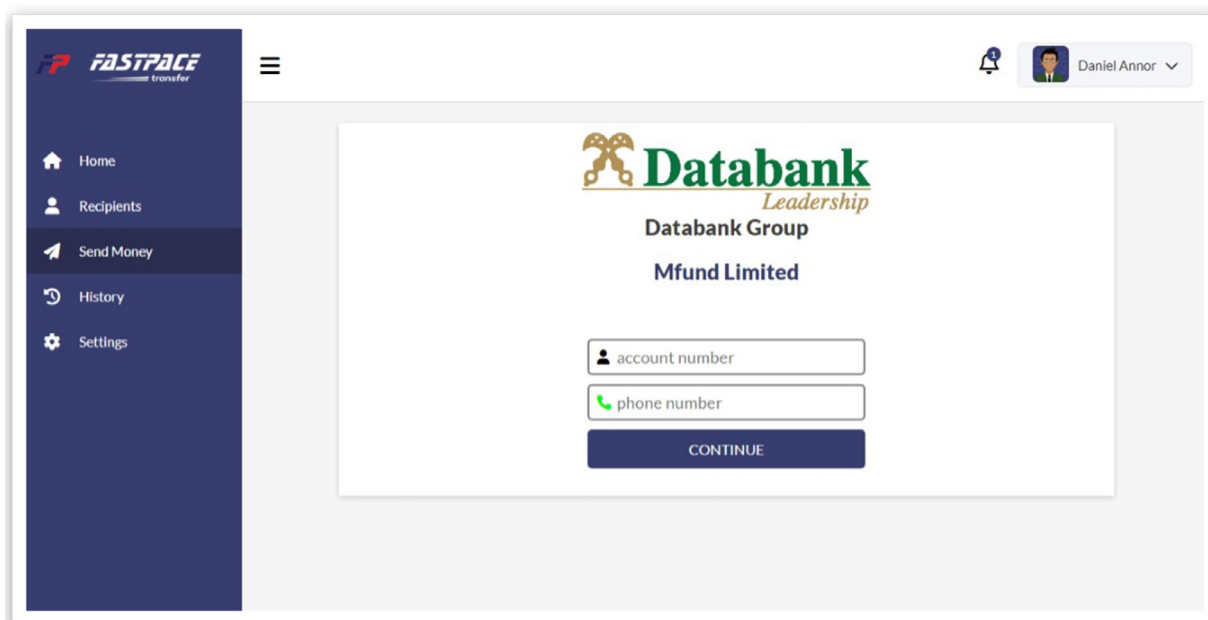

Step 6

Choose the fund you wish to deposit into.

Step 7

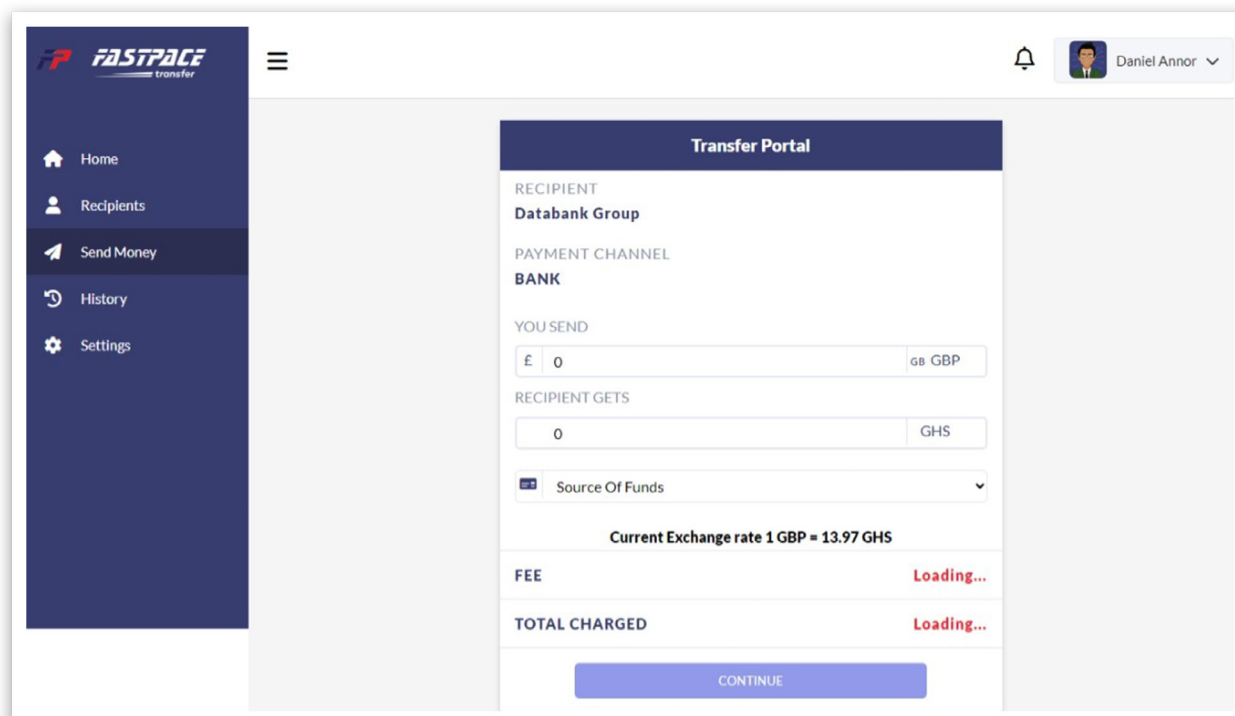

Enter your account number and the phone number on the account to proceed. If the details provided do not match, you cannot proceed with the deposit.

The screenshot shows the FASTPACE transfer interface. On the left is a dark blue navigation menu with icons for Home, Recipients, Send Money, History, and Settings. The main content area features the Databank Leadership logo and 'Databank Group Mfund Limited'. Below the logo are two input fields: 'account number' and 'phone number', followed by a dark blue 'CONTINUE' button. The top right corner shows a user profile for Daniel Annor.

Step 8

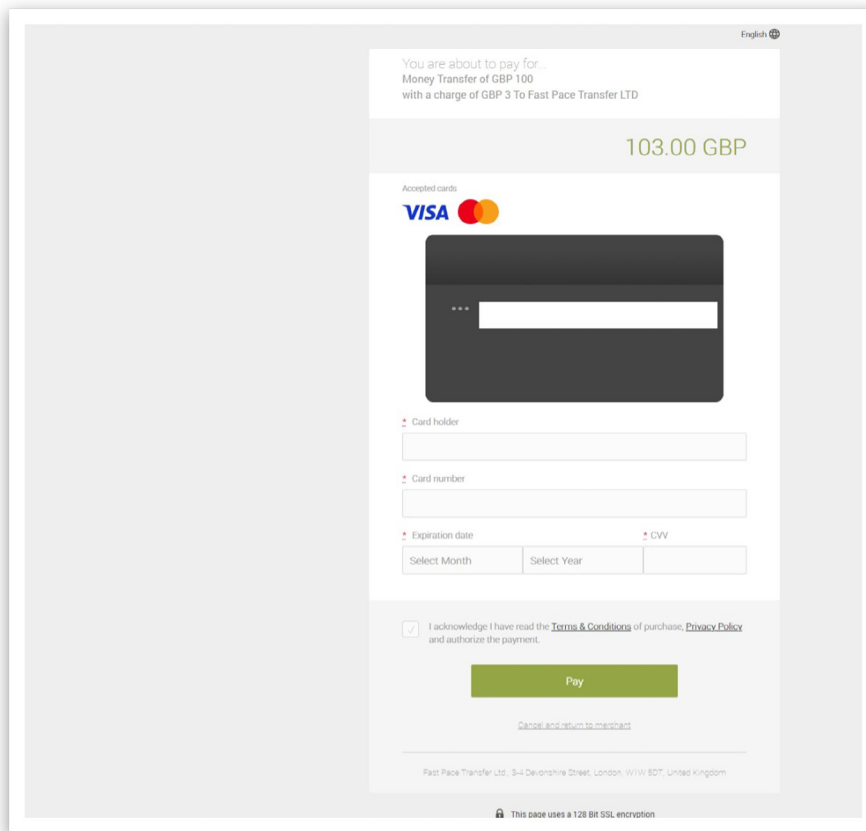

Enter the amount you want to deposit in British Pounds. The Ghana Cedi equivalent will be displayed beneath it. You will also see the current exchange rate, transaction fee and total charge. Choose the source of funds and click "Continue".

The screenshot shows the FASTPACE transfer interface. On the left is a dark blue navigation menu with icons for Home, Recipients, Send Money, History, and Settings. The main content area features the 'Transfer Portal' for Databank Group. It includes fields for 'YOU SEND' (GBP) and 'RECIPIENT GETS' (GHS), a 'Source Of Funds' dropdown, and a 'Current Exchange rate 1 GBP = 13.97 GHS'. There are also sections for 'FEE' and 'TOTAL CHARGED', both showing 'Loading...'. A blue 'CONTINUE' button is at the bottom. The top right corner shows a user profile for Daniel Annor.

Step 9

You will be redirected to a payment gateway to enter the details of your bank card. Enter your card details and click "Pay" to complete the deposit into your Databank investment account.

The screenshot shows a payment gateway interface. At the top, it states "You are about to pay for..." followed by "Money Transfer of GBP 100 with a charge of GBP 3 To Fast Pace Transfer LTD". The amount "103.00 GBP" is displayed in green. Below this, it says "Accepted cards:" and shows the VISA logo. A card image is shown with a masked card number. The form includes fields for "Card holder", "Card number", "Expiration date" (with "Select Month" and "Select Year" dropdowns), and "CVV". A checkbox is checked, indicating agreement with the "Terms & Conditions" and "Privacy Policy". A green "Pay" button is at the bottom. A link "Cancel and return to merchant" is also visible. At the very bottom, it says "Fast Pace Transfer Ltd, 3-4 Devonshire Street, London, W1W 5DT, United Kingdom" and "This page uses a 128 Bit SSL encryption".

Congratulations! You have successfully deposited into your account.
