Outlook

We expect market activity in the equity market to remain upbeat next week as investors continue to trade in response to the released financials of listed companies.

Increased demand in shares of GCB Bank, Ecobank Bank and Total Petroleum is expected to exert an upward pressure on their share prices next week. Guinness Ghana Breweries and Fan Milk however, are projected to shed some pesewas.

The Ghana Stock Exchange's Composite Index, the Databank Stock Index and the Financials Stocks Index are all forecast to extend gains next week, fueled by the projected price gains in GCB Bank and Ecobank Bank.
