#### A new code that helps you to do more - \*6100#

Databank has recently released its flagship USSD code, \*6100#. It has more features than the existing codes. When you dial \*6100#, you can:

- Open a mutual fund account
- Top up your existing mutual fund account(s)
- Check the balance on your existing mutual fund account(s)
- Sign-up for the direct debit service from your Mobile Money wallet
- Perform self-service

This service is currently available to only MTN users. Dial \*6100# today and get started.

At Databank, we believe financial independence is not possible without financial literacy. Literacy means investment knowledge – on how your investments are doing and how to make wise investing decisions. Our channels make this possible. Take advantage of them today.

### Invest wisely. Invest with Databank.
