DATABANK DISASSOCIATES ITSELF FROM BINOMO INVESTMENTS

July 22, 2020 – Accra. It has come to our notice that some companies and individuals are attempting to defraud unsuspecting clients using the profile picture of Databank's CEO, Kojo Addae-Mensah. Most recently, our attention has been drawn to a company promoting itself on Instagram called Binomo Investments. Binomo is purporting to be an Investment Management Company offering guaranteed returns, with the following handle "markshine2020." Binomo is using the profile picture of Databank's CEO, Kojo Addae-Mensah, which the person identified as John Mark claims to be his photo.

Please note that Databank and its CEO, Kojo Addae-Mensah, are **NOT** in partnership with Binomo. Databank and Kojo Addae-Mensah also have no affiliation with this company or any investment scheme that it claims to have. We consider the company to be fraudulent and have reported it to our regulator, the Securities & Exchange Commission for further action.
